Date 3/12/64

JOHN D. LE BLANC, Manager, Piggly Wiggly Store, 7041 Canal Boulevard, residence address 6001 Music Street, advised that some time subsequent to January 1, 1964, exact date not recalled, he was looking in an old address book for the telephone number of Blue Plate Foods in New Orleans, and he discovered the notation on the front page of the notebook written in his own handwriting "LEE OSWALD 529-7181 help." LE BLANC had no idea as to when he placed this notation in his notebook and only vaguely recalls that he made this notation when an individual had applied for a position. Upon finding out that there was no job available he left his name and telephone number with LE BLANC.

LE BLANC observed a photograph of LEE HARVEY OSWALD and was unable to identify OSWALD as the individual who had applied for a position prompting him to make a notation in his address book.
